

TraceEvent

```
classDiagram
    class TraceEvent
    class TraceSimulationEvent
    TraceSimulationEvent --|> TraceEvent
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'TraceEvent'. Below it is a gray rectangular box labeled 'TraceSimulationEvent'. A vertical blue line connects the bottom of the 'TraceSimulationEvent' box to the bottom of the 'TraceEvent' box, ending in a blue arrowhead pointing upwards. This indicates that 'TraceSimulationEvent' inherits from 'TraceEvent'.
